

If You Give a Mouse a Cookie

Work in your team to...

- Create a story
- Present in a poster format
- Write your theorem at the top of the page
- Underline the hypothesis once
- Underline the conclusion twice
- Have at least 5 if-then statements
- Be creative / have fun with this
- With time, illustrate/decorate
- Must be G-rated
- Put all team members names (first and last) on the back of your poster

This will count as a quiz...
